

## **ALL ABOARD!!**

**The 16th Annual Southland Model Railroad Show is on track and picking up speed!!** The show is presented by the **Harold L. Richards High School Band**. This show is our biggest fundraiser for the HLR Band at Richards High School. This year's dates are:

**Saturday, October 13, 2018**

**10 a.m. until 5 p.m.**

**Sunday, October 14, 2018**

**10 a.m. until 3 p.m.**

**We hope that you can bring your exhibit to this year's show!**

Last year, models of all scale were displayed by 23 area clubs and were viewed by more than 2,000 people during the two-day event. New this year – we are going to have hourly demonstrations on how to build your hobby into something even bigger. These demonstrations will be held in the band room. They will be free with paid admission to the show.

This show provides the ideal venue to show off your display to other railroad enthusiasts while enabling the HLR Band to raise funds to help defray the costs of future trips. Don't delay – space availability is determined on a first come, first served basis. Please fill out the enclosed Exhibitor Response Form and mail it to the following address as soon as possible to reserve your spot.

## New Demonstration Hours

Would you or a member of your club like to give a demonstration about how you make your layout special? It could be how you do the landscaping or how your club operates or how to get started in the model railroad hobby. We are looking for 45 minutes to 1-hour demonstrations throughout the day on Saturday and Sunday. If you have an idea, please contact me. We want to help highlight the exhibitors and vendors in order to get more of the general public interested in this hobby.
